

The AM Quaker Work Committee is empowered by our job description to make grants of up to £1000 without recourse to Area Meeting; any higher amount needs to go to Area Meeting for authorisation. The Committee is an ad hoc arrangement, whereby I consult two other AM Friends of good standing before making the grant, and glean background information and vet the application if needed..

Thus the decision is not mine alone.

In 2025 the Committee was pleased to award a £1000 grant to a Member to assist him in attending an online Woodbrooke course on Equipping for the Ministry.

Clerk of Quaker Work Committee
